Enyukai Geisha Party
2017-2018

An Unforgettable Night with Lovely Geisha!

In the prominent Higashi Chayagai district, the exquisite geisha house Kaikaro was built in 1820. They invite you to experience a cultural tradition of refined excellence. Old-world institutions such as teahouses are renowned for their exclusivity, resulting in restricted booking available only through existing clientele. Kaikaro rather makes a unique effort to open a portion of their magnificent performances to the public each year. Scheduled evenings consist of an hour and a half of fabulous dancing, music, conversation, and of course a delicious full-course meal. It's going to be an unforgettable night!
